

Ultimate Peace in the Middle East – Registration Form April 1-5, 2009

“We must use sport for the purpose of promoting all the ideas we think will lead to peace & stability.”
Nelson Mandela

Dear Players, join us for one of the greatest Frisbee events to ever occur in the Middle East – **Ultimate Peace**. This event is our contribution to building a better world and, of course, is a chance for Ultimate players from around the world to meet and play together. (Please note: This is an athletic event without any political aspect)

- ⊙ **What is Ultimate Peace?** Ultimate Peace is a new organization conceived to build bridges of friendship and understanding for youth from different social and cultural backgrounds around the world. With a focus on fun and education, not politics, we use the exhilarating and character-building sport of Ultimate Frisbee as our primary tool to develop understanding, trust, and friendship, one game at a time. www.ultimatepeace.org
- ⊙ **Why Ultimate?** Ultimate Frisbee is the ideal team sport for uniting people on the playing field in a divided region. This non-contact field sport is played with 7 people on each team, and combines fast-paced action with the need for exceptional team coordination. All that is required is a plastic flying disc. Most importantly, unlike any other sport, it prioritizes personal responsibility, mutual respect between opponents, and fair play over winning. <http://www.ultimatepeace.org/why-ultimate>
- ⊙ **Who Are the Coaches?** – This select volunteer team of dynamic players/coaches will come from around the USA. They are taking time off from work/school, raising funds for their own flights, and will be staying with local families for the events. Team U.P. will be led by Dr. David Barkan, a facilitator and consultant to social change efforts around the USA, and a longtime standout competitor and coach in the sport of Ultimate.
- ⊙ **What Does the Event Entail?** – This athletic event will also include fun social activities for all participants, and will take place from the morning until the evening.
