

Middle Eastern teens championing the *ultimate* social change

Ultimate Peace presents: **NORTH AMERICAN FRIENDSHIP TOUR 2017**

Seattle, Washington: April 5 – 10
Vancouver, British Columbia: April 11 - 16

A dynamic group of 14 Middle Eastern youth leaders are visiting the USA & Canada on Ultimate Peace's annual Friendship Tour to share their experiences and insights in how sport can be used to forge unlikely partnerships in their politically tumultuous home. This cohort of Arabs and Jews from Israel, between the ages of 15 and 18, are members of Ultimate Peace's prestigious three-year Leaders-in-Training program.

Ultimate Peace (UP) is a multicultural, socio-educational program that builds bridges of friendship, trust, and understanding among many cultures through the character-building and self-refereed sport of **Ultimate Frisbee**. Take part in the rare opportunity to engage with these exceptional and diverse teenagers from the Middle East as they conduct presentations and exchanges at schools, institutions, places of worship, and competitions in regional tournaments.
