### ● *Camper Application is Open!*

Camp UP will host 150 rising 9th - 12th graders from around the country. "Pods," or small groups from communities and teams, are encouraged to apply together. Camper selection will prioritize equitable inclusion and participant diversity.

Camp UP will be staffed by exemplar coaches and athletes, including national/world champions, Ultimate Hall of Fame members, and top instructors from around the globe. The diversity of our staff will match that of our campers.

### ● *When and Where?*

Camp will run from July 1-7, 2023 at the beautiful Lawrenceville School, in Lawrenceville, NJ.

Ultimate Peace has earned a global reputation for uniting youth from diverse backgrounds on and off the ultimate field. We aim to apply and adapt our lessons in the US, at a time where people need more connection, not division.
